**About the New Center**

The new Center will enable Roberta's House to expand its programs and services. The facility will serve as a catalyst for the revitalization of East Baltimore neighborhood and a community resource of meetings, trainings and neighborhood events.

**About Roberta's House**

Roberta's House, a 501c3 nonprofit family grief support center, was founded in 2007 by the March Family to address the high risk of children in Baltimore City developing maladaptive and violent coping behaviors after a death. Roberta's House offers comprehensive bereavement support programs. Roberta's House is the only organization of its kind, providing free bereavement support for the entire family system. With a professional staff of 21 and over 500 trained volunteers, Roberta's House offers trauma-informed care that uniquely supports the grieving process and helps children and families cope with loss. Roberta's House has provided services to over 8,000 children and adults. Roberta's House is a nonprofit organization that depends on volunteers and the generosity of the public to perform its mission.
