

Contractor Behavioral Health Clinician, Licensed Professional Counselor (LPC/LCPC), LCSW-C, Clinical Psychologist

FLSA Exempt

Reports to: Clinical Director, LCSW-C, LICSW, LCSW

The Roberta's House contractor clinician provides therapeutic services to clients in the Behavioral Health (BH) Program. The opportunity is grant-funded and uses a 60/40 compensation model. The clinician provides outpatient mental health therapy services to clients suffering from mental disorders associated with victimology, homicide, or complicated grieving. The clinician should be credentialed to serve Medicaid and private insurance clients.

Roberta's House employs a teletherapy and in-person service model. Based on the contractor's availability, and mutual agreement with the client, teletherapy may be scheduled during business hours or on Saturday. In-person therapeutic group or individual weekday meetings are typically scheduled during business hours via teletherapy or at the Baltimore and Lanham, Maryland offices. Evening appointments may occur from 5:00 PM to 8:00 PM. The contractor must be available at least eight hours (8) weekly.

DELIVERABLES

- Administer diagnostic evaluations and provide individual and family counseling services and provide weekly in-person or telehealth therapy to assigned cases
- Experience in using web-based electronic health record case management databases or service file management such as "Simple Practice"
- Develop and document client treatment documentation in electronic health records within established timelines, sign all necessary documents (case management progress notes, etc.)
