

Roberta's House

2026-2027

PEER SUPPORT GROUP CALENDAR

Grief can feel isolating, but healing should never happen alone.
At Roberta's House, children, youth, adults, and families find
connection, understanding, and hope.

ROBERTA'S HOUSE

Peer Support Group Calendar

At Roberta's House, our peer support groups provide safe, compassionate spaces where children, youth, adults, and families can connect with others who understand the impact of grief and loss. Groups are offered in structured seasonal sessions throughout the year and are facilitated by trained staff and volunteers using a trauma-informed approach.

Participation in most groups requires registration and completion of an intake process prior to the start of each session.

CARING FOR EACH OTHER

MEN OF LOYALTY AND DIGNITY (MOLD)

A peer support group for men navigating grief, loss, and life transitions. Participants build connections, share experiences, and develop healthy coping strategies in a supportive environment.

FAMILIES HEALING TOGETHER (FHT)

A family-centered grief support program that provides separate age-appropriate groups for children, teens, and caregivers while helping families heal together after the death of a loved one.

A TIME OF SHARING (TOS)

A supportive group for adults grieving the death of a family member, friend, or significant person. Participants gain understanding, support, and practical tools for coping with loss.

A peer support group for adolescents and teens that combines discussion, skill-building, and creative activities to help young people process grief, build resilience, and strengthen emotional wellness.

HOMICIDE TRANSFORMATION PROJECT (HTP)

A specialized support group for individuals and families impacted by homicide loss. Participants receive peer support, education, and resources to help navigate grief, trauma, and the challenges associated with violent loss.

RAYS OF HOPE (ROH)

A support group for adults seeking connection, healing, and hope following the homicide death of a loved one. The group promotes healthy grieving, mutual support, and emotional well-being.
